

Dear Hiring Manager,

It is with pleasure that I recommend **Naila Ahmad Farooqi** for future opportunities. She volunteered as a Data Analyst at Passage to Prosperity Foundation and made a significant contribution during her time with us.

Naila possesses a strong aptitude for data analysis, particularly demonstrated through her proficiency with Power BI. She was responsible for analyzing our brand's impact on LinkedIn, providing valuable insights that helped our Marketing and Management departments better understand our online presence.

Beyond her technical skills, she consistently met deadlines and ensured the accuracy of her analyses. Furthermore, her communication skills were a true asset. She had a remarkable ability to translate complex data findings into clear and concise presentations that were easily understood by individuals without a technical background. This skill was particularly beneficial when she presented her LinkedIn impact analysis to our Market and Manager departments.

Naila is also a personable and cooperative individual, which helps make her a valued member of our volunteer team.

I am confident that Naila's analytical abilities, responsibility, and excellent communication skills will make her a valuable asset to any organization.

Please do not hesitate to contact me if you require any further information.

Sincerely,

A handwritten signature in blue ink that reads "Cristiane Mecca Giacomazzi".
